C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to state that as long as Burma ric was being purchased through the Rice Commissioner in Rang the settlement of the account for such purchases presente no special difficulties as bills were paid in full in Ran on bills passed by the Rice Commissioner. Hitherto the Hea Accountant and another Accountant were engaged in writing the cash accounts and the ledgers, scrutinising bills for supplies of ragi etc., making payments for these &c. Now that imports of Burma rice are being made through various importers who deliver the goods at various places and who have to be paid a portion of the value of each consignment against railway receipts and the balance on delivery at the respective stations, the transactions have become exceedingly elaborate and complicated. The checking of the railway receipts and passing of the bills of the importers against railway receipts or acknowledgments of consignees after making deductions for freight paid etc. involve very heavy labour which now takes up the whole time of the accounts section of my office. Moreover a large number of depots been opened all over the State and remittances are being received from practically every Amildar for taluk depots and from Deputy Commissioners of districts for district depots. The Work cannot be attended to by the existing

xisting staff
) large imports
ıe ledgers fro
ılthough the cash-book is up-to-date) and bills for
ıpplies of ragi received latterly have also not been
ıecked and attended to. It is therefore necessary to
ıtertain two additional accountants at once. I request,
ıerefore, that sanction of Government may be kindly acco
) the entertainment of two additional hands on Rs.50 and
) respectively. The First Assistant and the Superintend
ave been put solely on the work of settling of bills pay
ıd recoverable and preparing balance sheet and profit a
)ss account. I am making every effort to have the acco
ıalyzed so as to enable me to submit a report to Governm
s to the financial position, but without the assistance
sked for I find it impossible to do so or even to k
f the regular daily work.

I have the honour to be,

Sir,

Your most obedient servar

Food Controller & Direct
of Civil Supplies in Mysc
